# WELCOME

We are delighted to have this opportunity to showcase a wide range of Modern and Contemporary art from the 20th & 21st century in our summer show at the Yacht Club Cala D'Or.

The exhibition will feature new paintings by Marcel Gatteaux including Mallorca, Provence and the Greek Islands. A breathtaking collection of marine paintings by two leading British contemporary artists, Colourful Still Life's and nudes, and an interesting selection of watercolours and drawings ideal to decorate your Mallorca home or boat!

The exhibition also features rare and limited edition lithographs including works by Picasso, Matisse, Modigliani, Klee and Boudin.

More than 150 oil paintings and works on paper will be exhibited during the show, with new works being displayed as space becomes available. A small selection of pictures are featured in this brochure.
